

# RX10H

## FULLY RUGGED MOBILE CLINICAL ASSISTANT

### FEATURES INCLUDE:

- 10.1" HD (1920 x 1200) Touch Display
- Intel Core M CPU Series
- LumiBond 2.0 Display
- Greater Flexibility & I/O Options
- MIL-STD-810G & IP65 Certified
- 1D/2D Image Barcode Reader Option
- LifeSupport Hot-Swap Battery
- Weighs Just 1.3Kg

### MEETS THE DEMANDS OF DAY-DAY PATIENT CARE

The RX10H's thin, ergonomic design and no-slip grip make it comfortable to carry through an entire work shift. The broad, contoured handle hangs easily from any hook, and the body is built to withstand continuous sanitation for long lasting durability.

### ANTIMICROBIAL SURFACE COATING

The RX10H's exterior is made with an antimicrobial material that is hostile to pathogens and helps prevent the spread of infection.

### POWER YOU CAN DEPEND ON

The RX10H offers potentially limitless battery life. Getac's LifeSupport battery system allows you to swap new batteries in and out without shutting down. When it's time to recharge, the special adaptor is certified safe to use in hospital environments.

### SECURELY CONNECT, MANAGE & SHARE HEALTHCARE DATA

Other tablets make you choose between features. The RX10H offers every data capture technology you'll need - with connection options to send and receive data anytime.

### PERSONALIZE YOUR RX10H

Seamlessly customise your RX10H for your needs with a variety of specialised accessories and optional SnapBack upgrades including - Kickstand with integrated hand strap, smart card / CAC reader, office dock, detachable keyboard and external battery charger.

# SPECIFICATION
