

SA14S

FULLY RUGGED LAPTOP

FEATURES INCLUDE:

- 13.3" XGA (1024 x 768) Touch Display
- 6th Gen Intel Core Series CPU
- High Flexibility & Connectivity
- Hot Swappable Battery Pack
- Superior Security Features
- Windows 10 Professional OS

ADVANCED DISPLAY

SA14S is equipped with 14" TFT LCD (1366 x 768) with Anti-Glare Coating Glass to bring exceptional visual performance. With enhanced 500 nits brightness, SA14S provides excellent Sunlight Readable LCD display even under direct sunlight. Night Vision Mode is standard with Sunlight Readable LCD. It complies with NVIS Type I Class A for brightness and chromaticity.

RUGGED FEATURES

SA14S is IP53 and MIL-STD 810G certified. It is built with high quality of magnesium alloy that guarantees to perform. It works at 15,000 feet in the air, extremely temperature of -20°C to +50°C, storage in -40°C to +71°C, or 26 drops from 3 feet.

BACKLIT KEYBOARD

SA14S comes with optional waterproof backlit keyboard for ease of operation in low light condition.

STEALTH MODE

DURABOOK's unique Stealth Mode can be applied in special missions such as stakeout operation and raids. One click immediately turns off all sounds and emitting lights while all programs remain running in the background.
