FOR FIELD PROFESSIONALS WHO FACE THE TOUGHEST CHALLENGES

The fully rugged Toughpad FZ-M1 sets the new benchmark for outdoor tablets making it ideal for field workforces in challenging environments.

With its capacitive 10-finger multi-touch outdoor display and flexible configurations, this Windows 10 Pro tablet has been designed to optimise the efficiency of field workers. It benefits from various connectivity options to ensure data is always available when needed and gives business users the legacy options they require in a compact, fully rugged and lightweight form factor.

DRIVING EFFICIENCY

The Toughpad FZ-M1 shares its DNA with the Toughbook family of products from Panasonic, combining ergonomic and durable design that has made Toughbook the first choice for field workforces.

Panasonic has created the fully rugged, highly mobile and pocket size Toughpad FZ-M1 to answer the needs of organisations that require Windows 10 Pro functionality in a durable tablet for outdoor field workers. Never before has so much flexibility and performance been packed into such a compact, durable tablet with such great outdoor viewing capability.
